

ACKNOWLEDGEMENTS

This book is one of Anwar Fazal's *Friday ideas* that have come to life. It would not have done so without the extremely prompt help extended by Pat Young, Douglas Johnson, Patti Rundall, Leah Margulies, Sisters of the Precious Blood, Ted Greiner, Mike Brady, Betty Sterken and Ben Spurr from INFACT Canada, and Mark Ritchie who shared with us their memories, ideas, papers, updates, newspaper and magazine clippings, and everything else we needed. Annelies Allain and Komala made available all historical information available at IBFAN Penang. Lynn Emmanuel and Nurina Eusoff spent time sorting out resources available with the WABA office in Penang. We are grateful to all of them.
